Sir:

**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**  
**UNDER 37 C.F.R. § 1.97(c)**

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(c), Applicants bring to the attention of the Examiner the documents listed on the attached PTO/SB/08 form. This Supplemental Information Disclosure Statement ("Supplemental IDS" ) is being filed after the events recited in Section 1.97(b) but, to the undersigned's knowledge, before the mailing date of either a Final action, Quayle action, or a Notice of Allowance. This Supplemental IDS supplements the IDS's filed on October 20, 2005, February 16, 2006, and December 23, 2008. Under the provisions of 37 C.F.R. § 1.97(c), this Supplemental IDS includes a statement as specified by Section 1.97(e).

The following constitutes the statement specified by 37 C.F.R. § 1.97(e). Each document listed in this Supplemental IDS was first cited in a communication from the Japanese Patent Office in a counterpart foreign application, and this Supplemental IDS is being filed within three months of the mailing date of that communication.

In lieu of a statement of relevance or full translation of the non-English references, Applicants attach an English language Abstract of JP 2001-358919 cited in the Japanese Patent Office Action. Applicants also attach an English language translation of the relevant passages of the non-English document by Masaru Sugano cited in Japanese Patent Office Action. Finally, Applicants also provide an English language translation of the Japanese Patent Office Action.

Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claims in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please  
charge the fee to Deposit Account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
